Notice of Conditional Acceptance

Dear **Mr Ian Davis, Mr Jeremy Chambers, Mr Geoff Waterton, Mr Chris Kafetzis,**

We are in receipt of Enfield Council residential property tax notice **[2022-2023]**, issued **[11 March 2022]**.

It would appear Enfield Council has made a demand for payment, but has not presented us with a valid bill recognised under the Bills of Exchange Act of 1882 and it is upon this fact, we serve our notice of conditional acceptance.

Isn't it correct, Enfield Council cannot raise a bill if there is no commercial arrangement in place between Enfield Council and the person, [Mr/Ms Firstname Familyname] and [Mr/Ms Firstname Familyname] under which a true bill can be raised?

Isn't it correct that to respond by making payment without a bill signed in wet ink would be a direct violation of the Bills of Exchange Act of 1882?

In addition, as there is no commercial arrangement and bill presented, would this also be a contravention of the Fraud Act of 2006?

We are not in the habit of knowingly conspiring to fraud, however, to respond by making payment wouldn't that create a culpable liability against us?

The Act's and Statutes of HM Parliaments and Governments PLC can only be given the force of law by the consent of the governed.

What is mandatory is the consent of the governed that is also presentable as fact. As the consent of the governed is not presentable as fact, then the Act's and statutes of HM Parliaments and Governments PLC cannot be acted upon in any way that would cause loss to the alleged governed.

What is also mandatory are the presentable agreements of the people governed to be in place before an Act or Statute can be acted upon.

Given the above, how is this in support of the council tax bill presented?

There is no agreement in place between the residents of the Enfield Council authority area, which can be presented as fact complete with signatures in wet ink, and can be presented to support the claim of Enfield Council in support of a demand for payment, without violating the Bills of Exchange Act of 1882 and the Fraud Act of 2006 s.2 "Fraud by false representation" (See:

<http://www.legislation.gov.uk/ukpga/2006/35/section/2>.

Further, a person may be regarded as having abused his or her position even though the conduct consisted of an omission rather than an act See:

<http://www.legislation.gov.uk/ukpga/2006/35/section/4>

An omission in the form of an omitted signature would constitute an Act of Fraud as also profiteering through deception under s.4 and s.2 of the Fraud Act 2006.

Regardless of the legislation or policies of Enfield Council or HM Parliaments and Governments PLC, wouldn't any commercial activity constitute an act of fraud without the commercial agreements in place beforehand?

Is it not true, if the continued activities where demand for payment are made without observing the Bills of Exchange Act 1882 were continued and if a recognised bill is not presented complete with wet ink signature, could it be ruled as procedural impropriety at Law by Enfield Council and possible malfeasance? Further, wouldn't the members of Enfield Council be culpable at law for their actions?

In summary, our response to your invitation to make payment for council tax 2022-2023, until Enfield Council respond and answer our questions to confirm that by making payment, we are not party to an offence, we respectfully have to decline.

Please respond within 7 days of service of this notice.
